

# Grow from Caregiver to CNA

Get on the road to a health care career today with Age at Home

Is a position as a certified nursing assistant (CNA) part of your career path? If so, starting out as a caregiver with Age at Home is a great chance to learn, gain experience—and grow—with us!

Start by getting **PAID TRAINING**. No advance certification is needed.

**CHOOSE YOUR OWN SHIFTS**. Our caregivers say they love the online scheduling app and the ability to pick up shifts.

**WEEKLY PAYCHECKS** directly deposited in your account. Competitive wages starting at \$15/hour.

**WORK WHILE YOU GO TO SCHOOL**. Balance classes and your job as a caregiver. Only 15 hours/week and one weekend shift/month are required.

While you're providing exceptional care, you can also **BUILD YOUR RESUME** for a future in health care.

After just one year, caregivers are eligible for **TUITION REIMBURSEMENT**.

Become a certified nursing assistant, apply to be a **CNA WITH AGRACE** starting at \$16.70/hr.
